

## CLANDESTINE DRUG LABORATORY AWARENESS TRAINING

February 21, 2019

**Activity Number:**  
645\_V1

**Location:**  
Northern Essex  
Community College  
100 Elliott Street  
Room TC103  
Haverhill, MA

**Time:**  
1000-1400

This block of instruction will educate first responders on what a clandestine drug lab is. It will further identify the appropriate investigative steps that need to be taken when a suspected "drug lab" is located and identified.

This class is designed for law enforcement and applies to first responders who would encounter or be called on to investigate clandestine drug labs, which includes fire service, EMS, public safety, and health professionals.
